.....SOCIETY.....

"Your carriage, madam, is without." Said Thomas to the "missus." "Dear me!" said she, "and without what on such a day as this?" "Pray calm yourself," the man replied, "your will I shan't dispense. But 'tis without the horses, my'am. 'Cause 'tis a motor-carriage."

The social session in Wheeling may be considered on, as the past two weeks saw many homes opened to conventional amenities with prettily appointed entertainments. The play occurs every Wednesday evening at the Mercantile Club house.

The Carroll Club dancing set held its second entertainment of the season Thursday evening, amid entertaining conditions. A large and congenial assemblage filled the auditorium of the building till the early morning hours. This entertainment scheduled for every Thursday on through the season, is one of the delightful bookings for the Carroll Club membership for 1900-1901.

Next Saturday will, of course, find all entitled through membership in either club and their invited guests, on the Woodsdale links in honor of the return match game between the players of this city selected from both clubs, and the Washington team. The farmer's wife who raises chickens, knows that they must have food enough first to satisfy bare hunger, then enough more than that to make flesh and fat before they will begin to lay. In plain words you've got to put into the hen in the form of food what you get out of it in the shape of eggs. An ill nourished hen lays no eggs. The difference between the farmer's wife and her chickens is that she fancies she can take out of herself in daily cares and toils what she does not put back in the form of nourishment to serve and body. But she can't. Sooner or later the woman who tries it breaks down.

The warning signs of physical breakdown are, among others, headache, weak stomach, flatulence, pain in side or back, difficult breathing, palpitation of the heart. These are only some of the indications of a derangement of the stomach and organs of digestion and nutrition. The one sure remedy for this condition is Dr. Pierce's Golden Medical Discovery, which strengthens the stomach, purifies the blood and nourishes and invigorates the nerves.

Mrs. Martha E. Bachman, of Newville, Prince George Co., Va., writes: "I commenced to take Dr. Pierce's Golden Medical Discovery in June, 1895, after my Favorite Prescription, and I cannot express the benefit I have received from these medicines. I was suffering with what the doctors called chronic indigestion, torpid liver and vertigo. The doctor did not do me any good. My symptoms were giddiness in head, pains in chest and anxiety. I could not sleep. I also suffered with female weakness. I was all run-down and could not do any work at all with suffering from nervous attacks. I wrote to you for advice. You advised me to use Dr. Pierce's Golden Medical Discovery and Favorite Prescription. When I commenced to use the medicines I weighed only 112 pounds, now I weigh 145 pounds. I thank God and Dr. R. V. Pierce for my recovery."

Roosevelt Day. Arrangements for Roosevelt day are progressing, and Thursday, October 15, will in all probability be the greatest from a political standpoint, ever known in West Virginia. The coming of the famous governor and Rough Rider has stirred up the greatest interest any political event has ever created hereabouts, and the demonstration committee is in receipt of letters from clubs of many towns and cities, asking for information as to when Governor Roosevelt will arrive, what time he will speak, and whether his parade will take place. In answer to all these questions the committee has responded.

The next vice president will arrive in Wheeling about noon on October 15, and will be escorted to the hotel, where dinner will be served. At 12:45 p. m. the governor will be escorted to the fair grounds, where the meeting will be held. He will speak from a stand to be erected in front of the grand stand, and will be followed by one or more speakers of national reputation. In the evening a grand street demonstration will be held, in which all the local clubs and the visiting organizations will participate.

The demonstration committee held a well attended meeting last night and transacted important business. Chairman H. S. Allison presided and Secretary M. H. McNabb read the numerous communications from out-of-town organizations asking for particulars. It was decided that invitations be sent to all the clubs within a reasonable distance, and that arrangements be made for their reception. The Americus club and the Tariff club, of Pittsburgh, the Blaine club, of Cincinnati, and the Tippecanoe club, of Cleveland, have all been invited, and are counted among the ones sure to be here. As Governor Roosevelt comes here from Cleveland, it is probable that the Tippecanoe club will act as his escort from that point.

Governor Roosevelt will not visit Pennsylvania, nor will he speak in Ohio except at Cleveland, Akron and Canton, and for this reason the Wheeling meeting will be a tri-state affair, therefore the citizens cannot begin too soon to prepare for the coming of thousands of visitors. The city should be decorated as it never was before, and it no doubt will be. There is a movement on foot to have Senator Depew, of New York, here on the same day to address the meeting, and this, if successful, will mean such a meeting as Wheeling or any state has never seen.

The committee will hold another meeting at Congressional headquarters on Tuesday evening.

Field Day Notes.

This evening at congressional headquarters, on Chapline street, there will be a meeting of the Republican Field Day executive committee. Committees appointed earlier in the week to take up the details of the affair are requested to be on hand and hand in their reports.

Beewood joined the Rough Rider regiment yesterday with two companies, and took 1,600 Field Day tickets, to be distributed among the members for sale.

The Presidential Relay Race riders will assemble in Uhrichsville to-morrow, when Jason C. Stamp and Mr. Hoffelman, of Canton, will instruct the riders as to time of starting each relay, place of start and finish. The Wheeling relayists, members of the Century Wheel Club and members of the Safety Pin Club will make the run to Uhrichsville, and are requested to assemble at the McClure corner at 6 a. m. to-morrow.

The football game will be between Linsly and Cathedral High school eleven. Arrangements were made for the event yesterday, by Dr. Otto, of the executive committee.

Over 7,000 Field Day tickets have been distributed up to date. The sub-committees on prizes are requested to meet this afternoon and make their tour of solicitation.

Walter Wiles is making fine progress in securing "ads" for the Field Day programme.
